If the violator operated an unlicensed pest control business the name of the unlicensed business will also be listed.

(12) Resolution of Violations, Settlement, and Additional Enforcement Remedies. The Department and the violator may agree to resolve violations prior to administrative action, or to enter into settlement pursuant to section 120.57(4), F.S. The Department will enforce a failure to comply with an agreement to resolve violations or a settlement agreement with the penalties and remedies provided in the agreement as authorized by law. These enforcement guidelines shall not be construed to limit the authority of the Department to resolve violations prior to or after initiation of any administrative action or to settle with any party. The Department may utilize all available remedies to ensure voluntary compliance including administrative action, civil actions, referrals for criminal prosecution, and deceptive and unfair trade practices actions pursuant to Chapter 501, Florida Statutes.

(13) Follow-Up Compliance Inspections. If the violator agrees to corrective actions and subsequent inspection reveals that corrective actions have not been taken or that good faith efforts to undertake these corrective actions have not been made, then the Department will enforce the penalties and remedies provided in the agreement and as authorized by law.

(14) Notification of Licensees, Certificate Holders, and Identification Card Holders of Complaint.
