

Official Seed Sample Report

Only OFFICIAL regulatory seed samples are shown.

Name	Lot No	Kind	Purity Date	Status	Date Reported
<p>A date in the "Purity Complete" column indicates a purity analysis has been completed on the date indicated for the respective seed lot. An entry in the "Status" column of "Preliminary Legal", "Preliminary Mislabeled", or "Preliminary Illegal" indicates that a Preliminary report has been issued, and further analysis is in progress. A Status of "Legal", "Mislabeled", or "Illegal" indicates that all analyses are complete and the final report has been issued.</p>
